THE PINKERTON
CRITIC

1970'S

Moments to remember

Pinkerton school life is a many-faceted affair. Classes, athletics, clubs, social events — the tempo continuously changes and the student is carried along at a rapid pace from September to June. The Critic presents the history of our class and, more important, "1970's Moments to Remember."

Dedication

Robert M. Coolidge

It is with gratitude that we, the Class of 1970, dedicate our yearbook to you, Robert Coolidge. During the last four years, you have shown a sincere interest in our class, giving freely of your time and effort in directing our numerous activities. This dedication is a small token of our appreciation for all you have done.

Olive M. Abbott

Appreciation

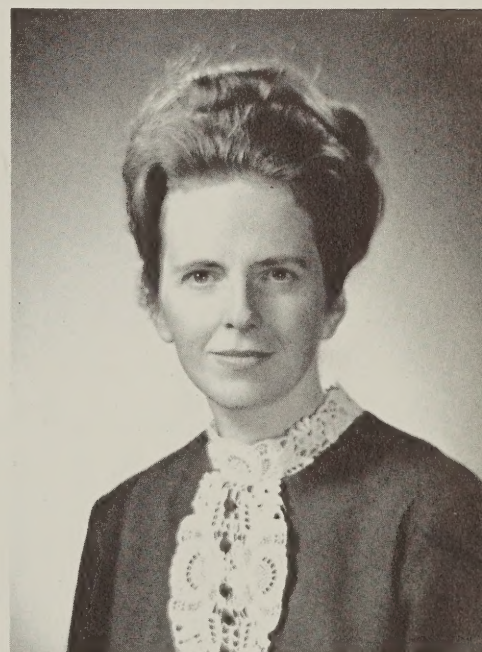

The Critic, illustrating our "Moments to Remember," would be filled with blank pages were it not for a group of interested teachers and friends. They have worked with us on class projects, laughed with us on class outings, and guided us in finding our places as mature young men and women. From our Freshman year, they have been as much a part of this class as we who are graduating. We appreciate their efforts and their friendship.

Administration

In order to keep a school such as Pinkerton Academy operating smoothly, an efficient and well-coordinated administration is a necessity. Fortunately, we have such a group of dedicated individuals working to make Pinkerton a better place in which to get an education. The Class of 1970 is eternally grateful for the guidance they have given us in collecting our moments to remember.

Mrs. Ruth G. Wheeler, Secretary

Faculty

The success of any school is determined largely by the interest and conscientious labors of its teachers. We thank the faculty for making the Class of 1970 and Pinkerton Academy successful.

ACTIVITIES

The schedule of the theater is a busy and varied. Their meetings and rehearsals constitute a part of the tradition that are special moments for all members.

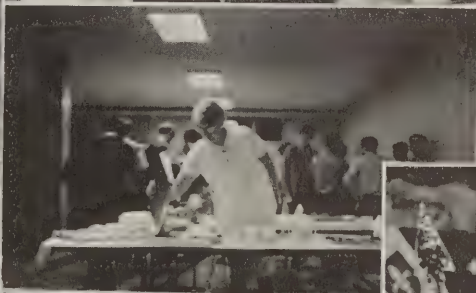

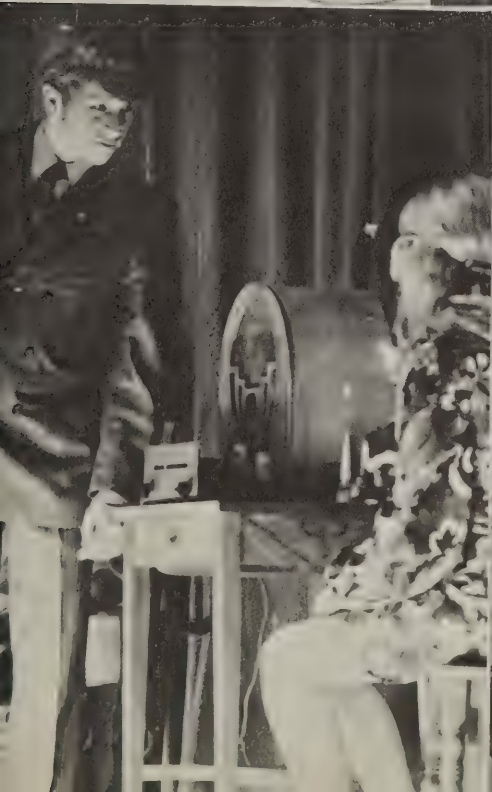

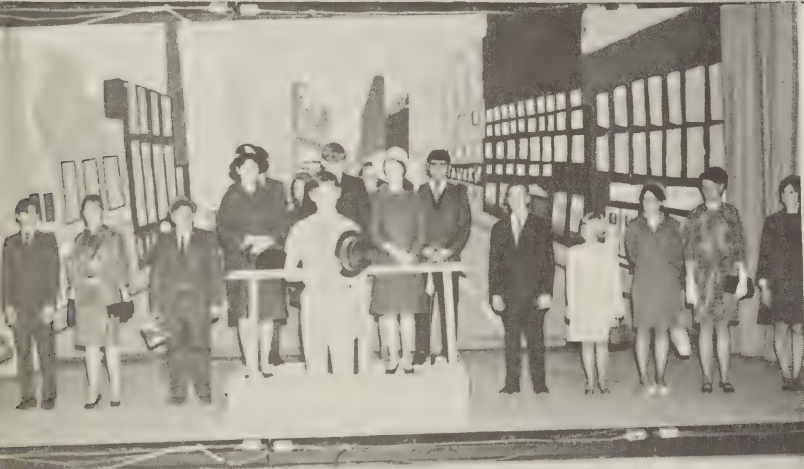

THE

Senior Class Play

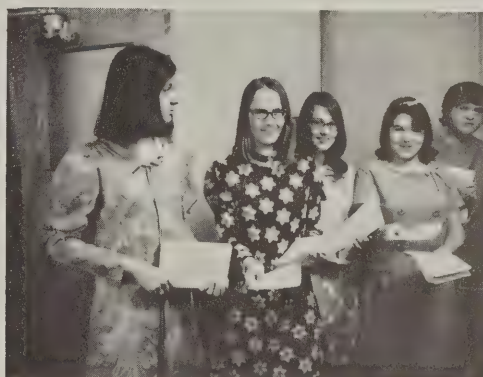

McGillicuddy McGotham tests Junior talents.

THE JUNIOR PLAY

On April 24, 1969, the curtains parted for the Junior Class stage debut of "McGillicuddy McGotham." This delightful comedy is about a leprechaun from Ireland who flew to New York City. He came to protest the building, by the United States Government, an airstrip on his territory where the gold was buried. Being visible to only persons of Irish descent, McGillicuddy found it difficult to present his problem. Like all good comedies, "McGillicuddy McGotham" had a happy ending for all.

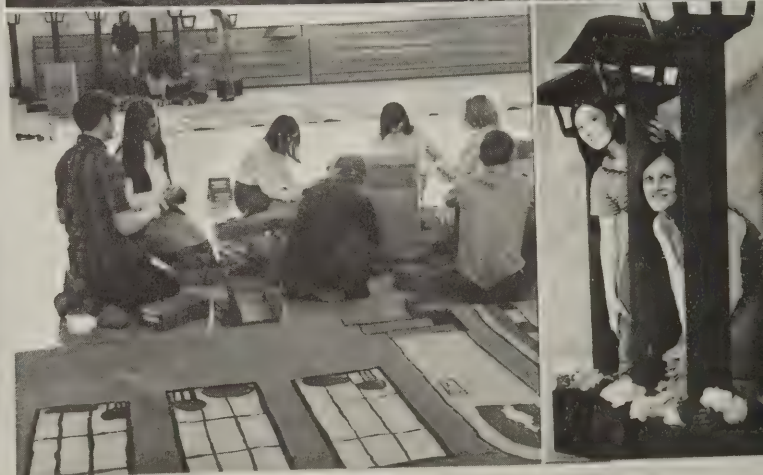

The class thanks Mrs. West for her patience with the cast and Miss Weber, Mr. Clay, and the art department for the creative scenery.

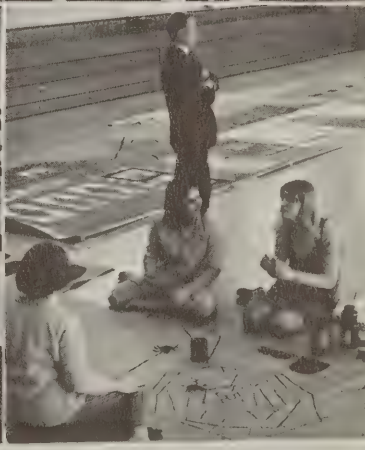

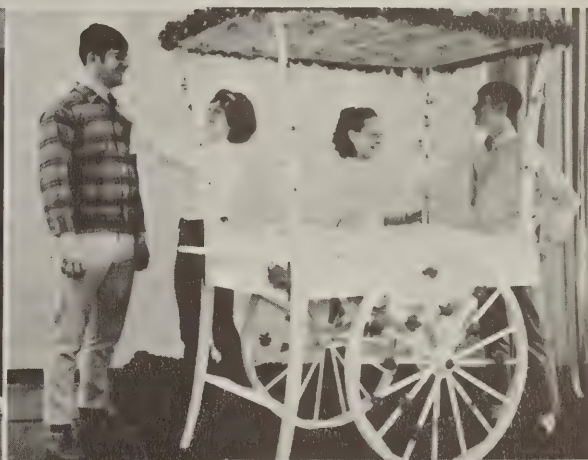

After a successful play, the class traveled to Clement's Hay Loft in Chester for a play party. The evening ended with more moments to remember.

The Junior Prom

Strolling through the Bois de Boulogne, exploring the cafes of the Latin Quarter and gazing with awe at the Arc of Triumph were just a few of our "Moments to Remember" when the class of 1970 presented "Soirée de Paris." The scope of activities ranged from the crowning of our lovely queen, Miss Heidi Hewitt, to refreshments in the old wine cellar. A green and gold success, "Soirée de Paris" was named the most spectacular production in Pinkerton's history.

The Critic Staffs

The 1970 CRITIC is the product of many hours of labor given by a large group of dedicated seniors. Working on one of the three Critic Staffs, these students perform the various tasks required to publish "1970's Moments to Remember." The Literary Staff is responsible for selecting the theme and for illustrating it through appropriate photographs, captions, and summaries. Next, the Typing Staff prepares the written materials for the final copy. Finally, but very important, the Business Staff raises the necessary funds to pay for publication expenses. The combined effort of these three staffs under the capable direction of Miss Olive M. Abbott, makes the 1970 CRITIC the greatest ever.

Letterwomen

Every girl at Pinkerton Academy has the opportunity to achieve the goal of being a Letterwoman. Each girl who receives this high honor realizes two things — first, the letter “P” stands for her school, and second, the same letter “P” is also a symbol of participation which is one of the special requirements needed to become a member.

Caterers to Pinkerton's sweet tooth.

National Honor Society

Every year, a small percentage of the Junior and Senior classes is given a membership in the National Honor Society, which is the highest honor that the Academy may give to a student. These students must have qualities of character, scholarship, leadership, and service.

This year, the N.H.S. sent articles to the soldiers in Vietnam and the underprivileged in Appalachia. They also drew up a new handbook for the school.

The Pinkerton chapter of N.H.S. was represented in the regional N.H.S. by Mary DeRemer, Regional Director, and in the state N.H.S. by Kathleen Reagan, Secretary, and Barbara Fincher, Delegate-at-large.

Student Council

The student council is a democratic body made up of two elected representatives and the president of each class. Under the direction of Mr. Hackler, these spokesmen voice the students' opinions regarding matters of general interest to the school. They assist the entire student body by improving communications between students, faculty, and the administration. This year the student council proposed and passed a new dress code. Our student council works for us.

The Pinkerton Band

Band and Dance Band

Under the expert guidance of Mr. Robert Hutchins, the Pinkerton Band once again had a successful year.

Pinkerton's football band performed during half-time at several away games this year, as well as home games. They also had the pleasure of appearing on television.

The concert band and the dance band performed equally well during the year, achieving their best results at both the Christmas Concert and the Spring Concert.

The Dance Band

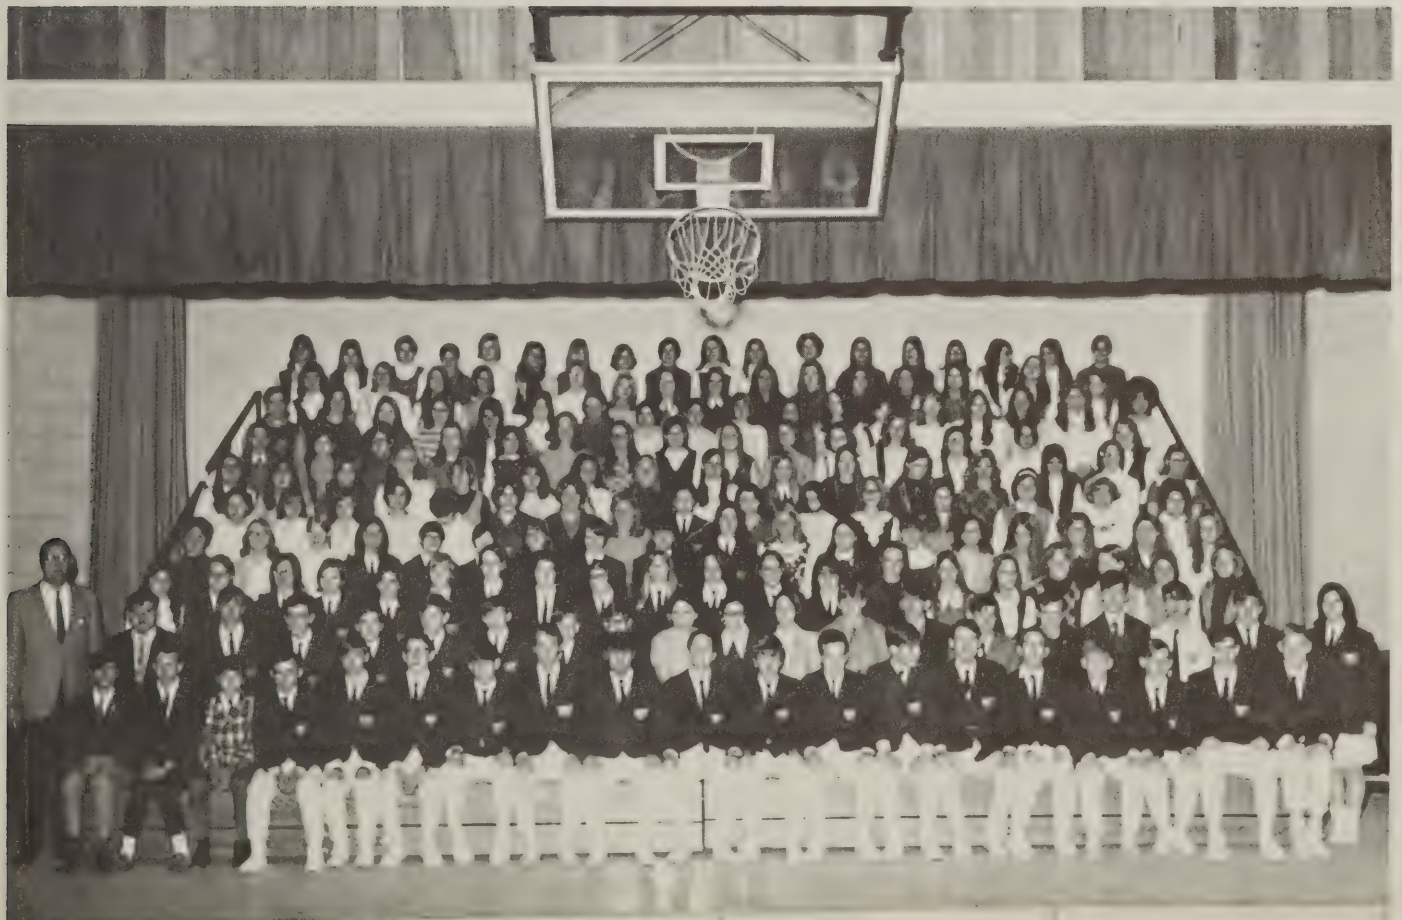

Mr. Hutchins, Music Director

Glee Club

Each year as the Pinkerton Glee Club grows, it takes on new and challenging arrangements of songs. This year, the Glee Club performed contemporary, classical, and sacred music at the Christmas and Spring Concerts. The Glee Club, the rehearsals, and the performances are all an important part of our moments to remember.

Cheerleaders

The Pinkerton Cheerleaders worked hard to promote school spirit throughout the football and basketball seasons, making innumerable posters to boost morale, and putting on many rousing rallies.

Never shall we forget the most unique rally of all, the "Night Rally" with its added attraction — the motorcade. Even in the rain and ankle-deep mud, it was a success, due to the planning and hard work of our Cheerleaders to carry it through.

MAJORETTES AND COLOR GUARD

The Color Guard preceded the band at many victorious football games and parades. With great pride and enthusiasm, they carried the flags of the United States, New Hampshire, and Pinkerton Academy.

Under the instruction of Miss Patricia Mills, the Majorettes performed their routines to the tunes of the football band. Fire and swords made the half-time shows different and exciting.

Newspaper

The school newspaper was revived again this year under the apt title of The Newspaper. Its initial objectives were to present current news at regular intervals and at a reasonable price. This was accomplished by using the mimeographing facilities available on campus and by maintaining a large force of reporters and supporters.

As one enters the Saltmarsh Library, he is greeted by a library assistant seated at the front desk. These assistants have volunteered to aid Miss Abbott in such tasks as signing library permits, checking out and carding books, and sorting magazines. They also assist students in finding needed reference material and books. The Saltmarsh Library Staff is an invaluable part of the Pinkerton scene.

Future Teachers

F.T.A. is a new club which was organized in December of 1969. The club gives a student the opportunity to take an active part in elementary, secondary, or specialized education and teaches him the primary objectives of a teacher. Under the direction of Mr. McCann, each member is able to decide before college whether or not teaching is the career for him. F.T.A. expects to expand and develop into an active organization.

um of Fine Arts, projects concerned with the different provinces, and a French meal cooked by the members of the club.

Debating Club

The club was organized in October, under the guidance of Miss Kyriaki Goranites. The members decided to debate the issue of a biased news media

for their first discussion which was presented on March 11, 1970. Shortly after, the faculty was invited to attend a second debate on this same issue.

Museum of Fine Arts. Mr. Chapdelaine has hopes for the continuation of this club so that more students will be able to learn about the culture of Spain and the Spanish people.

Latin Club

The purpose of the Latin Club is to enrich one's knowledge of Roman culture. Through studies, lectures and plays, this knowledge is obtained. The outstanding feature of this year's club, under the direc-

SPORTS

This year has been filled with victories for the Academy's teams. The games and spirit of competition will be some of our best Moments to Remember.

SPORTS

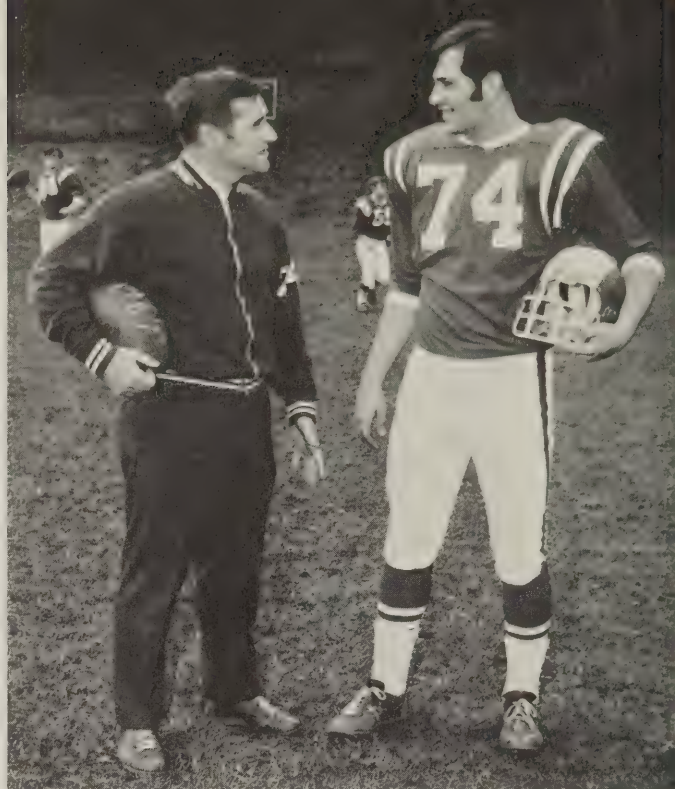

Astros Provide Thrill-packed Season

"We're number one," was the common cry throughout the corridors of Pinkerton the last week of the football season. Indeed, we had the best record of any Academy football team since 1956. And with a record tarnished by only two 6 to 7 losses, sentiment was that we might capture the Division III crown.

The previous week, excitement had run high at the Oval when the dynamic Astro squad clinched a 6 to 0 thriller in the last minute of play, crushing the favored Bishop Brady line.

The last game of the season followed a week of cheering, posters, and all around enthusiasm, capped by a giant pep-rally in the rain that helped to prepare the team and the student body for the big game against the long-time state champion, Somersworth. Treated to the most exciting game in several years, the Pinkerton fans had something to be proud of, even though victory did elude our team.

Pinkerton Academy owes a great debt of gratitude to its football team for the spirit and enthusiasm of the entire student body. The senior class would like to thank the Pinkerton Astros for helping to make "1970's Moments to Remember" complete.

BOYS' BASKETBALL

This season's varsity team, composed of seventeen boys from three classes, had a fine season, ending in an eight-wins, eleven-losses record. Under the supervision of Coach Ek, these boys were able to obtain a respectable 66.4 points per game average. The Senior Class was well represented by Bryan Bailey, who led in rebounding and field goals, and by Captain Louie Abood, who followed with a close second in both catagories. Supported by the six other talented Senior players, these two were able to lead Pinkerton into the thirteenth position in state-wide competition. The underclassmen were also well represented by Carl Hepworth who led the squad in scoring. Coach Ek feels certain that we will have a fine team next year and that we should earn a berth in the State Tournament.

We should also note that our Junior Varsity Squad was able to finish with a fine nine-wins, ten-losses record.

The greatest victory was the defeat of Nashua by seven points.
